The Board submits that the Special Tahsildar with two lower division clerks and one Revenue Inspector sanctioned in G.O. No.854, Development, dated the 22nd May 1943, is for the reception and distribution of grain throughout the district. The proposal submitted in Board's Ref: No.B-3602/43-2(CS), dated 14th June 1943 is to have godowns and a storekeeper for storing the supply to famine camps. The Special Tahsildar with the establishment under him may not be appointed if sufficient supplies are not received for the district. The store-keeper is intended to look to the storage intended for the famine camps, and is necessary. The Board therefore requests that the Government may be pleased to approve the proposals in its Ref: No.B-3602/43-2(CS), dated the 14th June 1943.

Draft order on ff. 7-8 ante may be accepted subject to the following remarks.

The Stricken is intended to be in charge of dry grain and it does not seem that for this work an Upper Division clerk will be necessary. It is separately proposed to rent two godowns at Hulur in Bellary Dt. for storing dry grain, on Rs 25 each, but only a lower Division clerk is proposed to be sanctioned there. This dept may suggest that in the present case also a lower Division clerk may be sanctioned.
